## Description

The DreamLine Encore bypass sliding shower or tub door has a modern frameless look to make your shower the focal point of the bathroom. Encore's elegant bypass design provides smooth and quiet sliding operation, with the added convenience of accessing your shower space from either side. Choose the Encore bypass sliding shower door to give your bathroom applause-worthy style. DreamLine has the ultimate solution for your shower project.

## Features

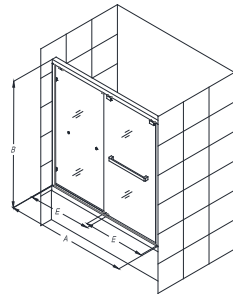

- Double sliding bypass configuration allows entry to the shower from left or right side
- Frameless glass design creates an open, airy feel
- Specially designed rollers create a smooth, quiet gliding operation
- Two convenient towel bars double as handles on each panel
- Wall profiles accommodate up to 3/8" for out-of-plumb (uneven walls)
- Top and bottom guiderails can be trimmed up to 4" for width adjustment
- Anodized aluminum guiderails and wall profiles
- 5/16" (8mm) thick ANSI certified clear tempered glass
- Hardware available in Chrome, Brushed Nickel or Oil Rubbed Bronze Finish
- **IMPORTANT! All measurements should be taken only AFTER walls are finished (tile, back walls, etc.)**
- **Professional installation recommended**
