Undermount Templates **Plantillas de Tipo Fijado Abajo**

This template drawing accommodates the Overlap mounting option only.
Esta plantilla únicamente pertenece a la opción de Colocar Parcialmente Unos Sobre Otros.

These templates are for undermount installation only of models: QZSB-2522, QZDB-3322, QZLS-3322, QZAD-3322, QZBS-1816 and QZES-3011.

This procedure should be performed by a professional fabricator. If an undermount kitchen sink installation is desired, the template is to be used by a professional fabricator.
