

PRBQCHK100 - 1 in. Pressure-Regulating Quick Check Basket Filter

- 1 in. Basket Filter with built-in Pressure Regulator (40 psi) and 200 mesh (75 micron) stainless steel screen
- Reduces maintenance and labor costs-the indicator tells you when to clean the filter, taking the guesswork out of cleaning the filter
- Provides increased reliability - "No-spill" feature ensures dirt does not fall back into the filter during cleanup operation
- Simplifies installation and maintenance - threaded top with O-ring makes it easy to remove and clean the stainless steel filter screen
- Efficient design - combines filtration and pressure regulation in one compact unit with fewer connections.
- Comes pre-assembled with 200 mesh (75 micron) stainless steel screen (100 mesh and 120 mesh available)
- Built-in 40 psi (2,7 bar) pressure regulator
- Also available in Commercial Control Zone Kits (XCZ-PRB-100-COM AND XCZ-PRB-150-COM)

Product ID: **X14140**

Product Model: **PRBQCHK100**

Product Description

Specifications

Flow Range	Medium Flow: 3-20 gpm
Valve Type	Inline
Pressure Regulation	40 psi
Filter Type	Screen Filter
Specifications	Inlet Pressure: 15 to 150 psi (1,0 to 10,3 bar) Filtration: 200 mesh (75 micron) stainless steel
Operating Range	Inlet Pressure: 15 to 150 psi (1,0 to 10,3 bar) Temperature: Up to 150° F (66° C)
