THE BUY AMERICAN ACT COMPLIANT PRODUCTS LIST

Drake II 1G[®]
TWO-PIECE TOILET

The intent of the AMERICAN RECOVERY AND REINVESTMENT ACT (ARRA) that President Barack Obama signed into law on February 17, 2009, is to reinvigorate our economy with new projects that put Americans back to work. There is also a provision in the act that invokes the BUY AMERICAN ACT, which will help bring more manufacturers into the process and thus compound the economic boost by allowing more industries to support new projects.

Qualifying TOTO Products for ARRA and BAA

TOTO USA, which has significant manufacturing operations outside of Atlanta, GA, is the winner of numerous domestic awards and recognitions, TOTO is the only plumbing manufacturer honored as Water Efficiency Leader by the U.S. Environmental. More than 20 years later, TOTO USA is a leader in the North American residential and commercial bathroom products market. Our commitment to manufacture in the USA has made TOTO the favorite of both US water conservation experts and consumers as it's toilets reduced water consumption while providing effective flushing performance.

Visit the US Government's Acquisition Central Website to review the clauses and approved countries in the BAA provision, which greatly expands products choices for builders and investors.

TOTOUSA.com provides all of the supporting files for each of the products in this list, including spec sheets, installation instructions, images and product features. Please call 888-295-8134 to ask about TOTO-compliant products, or use the list in TOTO's ARRA/BAA brochure and TOTOUSA.com to find ideal products for your project.
