SAVE FOR CONSUMER

WARNING: Please carefully read and properly follow the instructions for installation found in this manual.

STEPS:

1. Shut off water supplies. Install the supply piping so that the 1/2" threaded connection protrudes approximately 1/2" beyond the finished wall.

2. Install the mounting bracket (1) onto the finished wall. Screw the faucet onto the supply tubing and mark the locations for the support screws with a pencil (2).

Caution: When marking the location for the mounting bracket screws, be sure that the screws will not interfere with or come in contact with water will not supply piping that is concealed behind the wall.

3. Remove the faucet and drill four holes on the positions marked in step 3.

4. Insert anchors (1) into holes (2) and tap flush with wall.

5. Wrap thread sealant tape around the threads of the supply pipe. Install the gasket (1) and the mounting bracket (2) using the 4 screws (3) provided.

6. Place flange (1) onto the faucet as shown. Thread faucet onto pipe. Use cloth to protect finish. Tighten securely, but do not overtighten.

WARNING: Please carefully read and properly follow the instructions for installation found in this manual.

STEPS:

7. Tighten set screw in mounting bracket (1). Slide flange (2) over the mounting bracket and tighten set screw.

8. Turn on water supply in preparation to water test the faucet. Remove aerator with plastic wrench and turn on faucet for approximately two minutes to flush any debris from the water line. Run water into a large pan or bucket. Replace aerator and clean faucet with warm water and a soft cotton towel.

CARE AND CLEANING INSTRUCTIONS

Congratulations on your purchase of an Elkay product. Although your product is extremely durable, attention should be given to the care, cleaning and maintenance of this product. Cleaning agents and abrasives may cause damage, which may result in oxidation and discoloration.

By following these simple guidelines for proper care and cleaning, it will give you years of enjoyment:

TO CLEAN: Simply wipe gently with a damp cloth and blot dry with a soft towel.
