

1

DRAIN

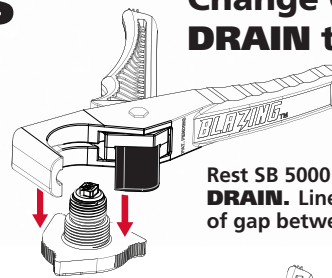

The **NEW 1 DRAIN** takes all the benefits of multiple drains and combines them into **1**

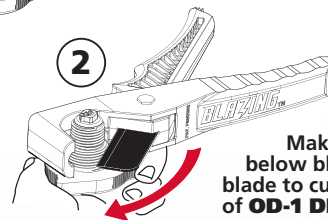

1/2" Male Thread

3/4" Male Thread

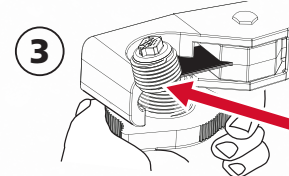

1 Instructions to Change **OD-1 DRAIN** to 3/4" MPT:

Rest SB 5000 Cutter on bottom of **OD-1 DRAIN**. Line up blade so it is in the middle of gap between threads.

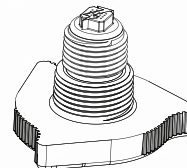

Hold drain tightly. Make sure fingers are below blade. Then rotate blade to cut off top portion of **OD-1 DRAIN**

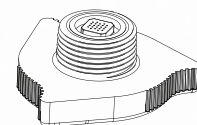

Discard top portion of **OD-1 DRAIN**

Option #1
1/2" MPT
OD-1 DRAIN

Option #2
3/4" MPT
OD-1 DRAIN
