| Model No. | Barcode | Description | Packaging Dimensions LxWxH (cm) | Packaged Item Weight (kg) |
|-----------|---------------|--------------------------|---------------------------------|---------------------------|
| DA4000LR | 0088381039499 | 13MM (1/2IN) ANGLE DRILL | 28.5 x 7.9 x 20.9cm | 8.17kg |

Product Objectives

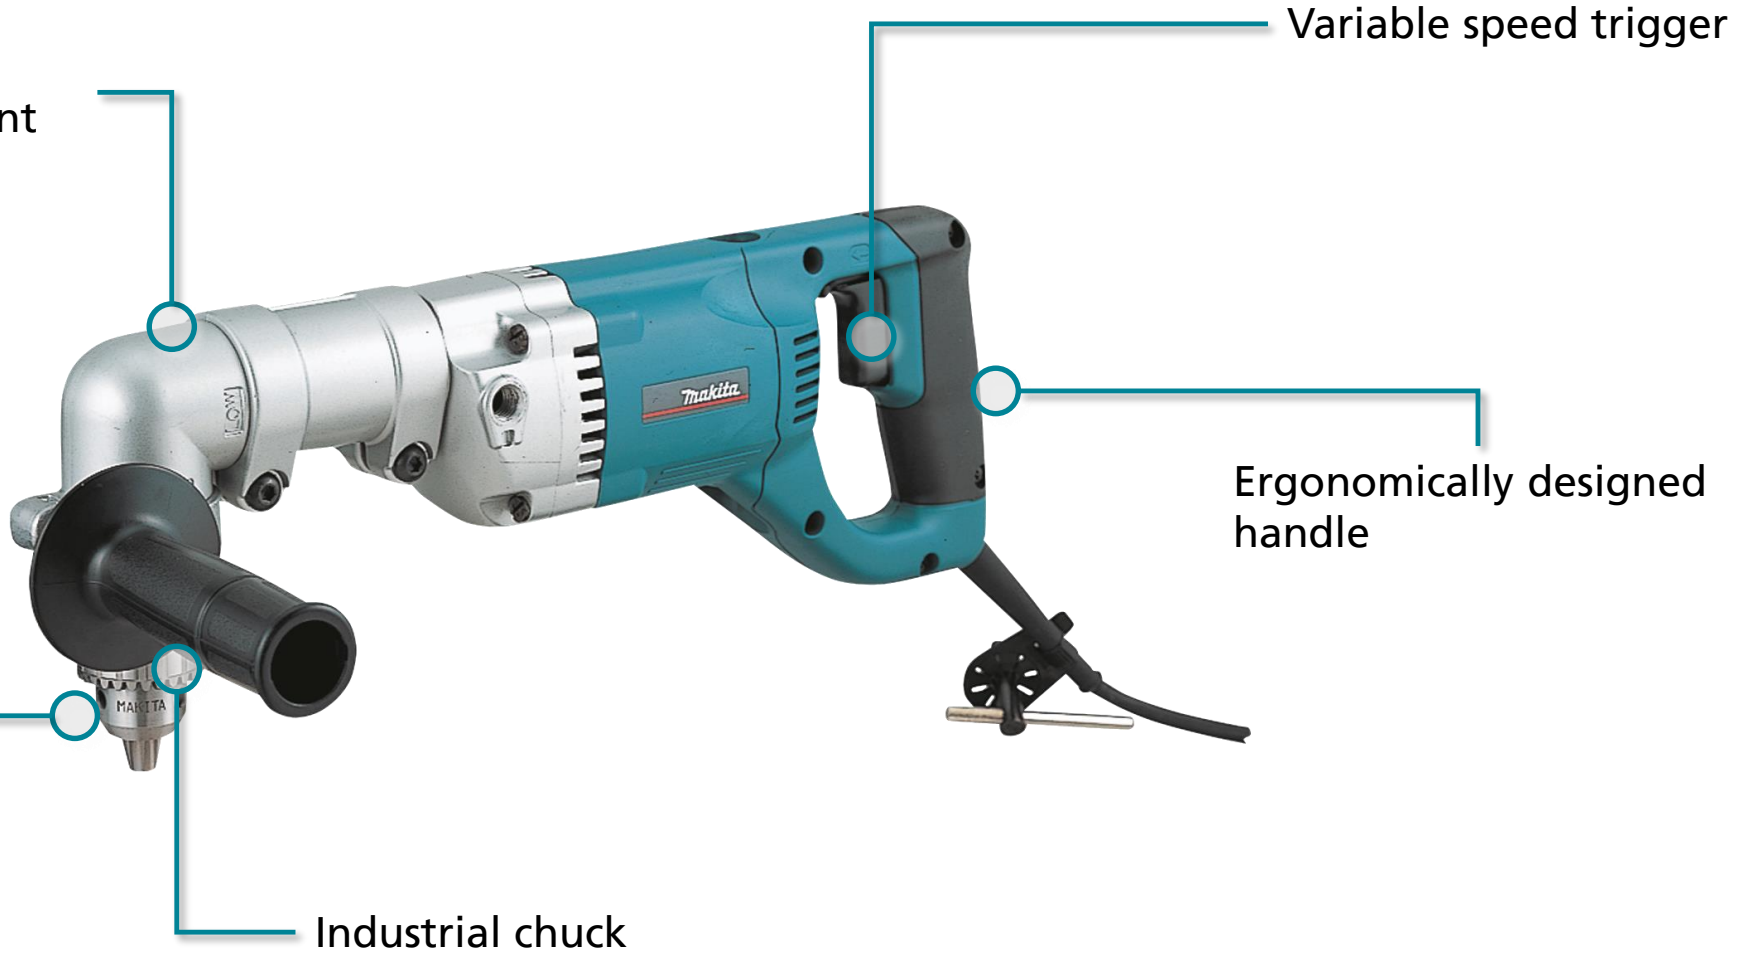

- Designed to suit the needs of plumbers and electricians drilling large holes for fitting out services
- Develop a high performance drill that can fit in areas such as in between joists

Product Overview

Increased durability of gears in angle attachment

Quick switch drill head for low or high speed setting

Product Specification Sheet

| | |
|-----------------------------------|-----------------------------------|
| Max. drilling capacities in wood | 38mm |
| Max. drilling capacities in steel | 13mm |
| No load speed | Hi: 0 – 900rpm Low: 0 – 400rpm |
| Continuous rating input | 710W |
| Overall length | 413mm |
| Net weight | 3.7kg |
| Power supply cord | 2.5m |

- **Increased durability** – Of gears in the angle attachment for better performance
- **Variable speed trigger** – Sensitive trigger enables variable speed
- **Ergonomic Handle** – Palm fitting soft handle makes the tool easier to grip
- **Industrial Chuck** – Heavy duty 2-13mm keyed chuck ideal for applications where maximum durability is required
- **Quick switch drill head** – Angle attachment for changing between high & low speed

Advantages

Performance

Quick switch drill head for low or high speed settings

Precision

Trigger sensitive variable speed for precise control

Comfort

Redesigned soft grip for comfortable operation

Versatility

Side handles offer choice of support for optimum drilling
