16 Station Model, Part # 57995

### Total Control

Fully program, adjust your watering, and access premium XR features with the easy-to-use app on your iOS or Android device.

### Smart Watering

WeatherSense™ technology delivers the exact amount of water your plants need based on slope, soil type, sun exposure, and more. B-hyve connects to local weather data and automatically adjusts to any changes in the weather, eliminating unnecessary water waste.

### Durable and Secure

Comes in a weather-resistant case, allowing you to mount your controller indoors or outdoors.

### Smartest Prices

At B-hyve, we believe saving water shouldn't be so expensive. That's why we give you the most value by offering more features at the smartest price. Find controllers at your major home improvement retail locations for as low as \$149.
