

**E-02434****10" Saw Chain, 3/8" LP, .043"**  [FIND LOCAL](#) [SHOP ONLINE](#)

**SPEED** : Narrow kerf reduces width of cutting face resulting in the saw chain moving through the cut faster

**DESIGN** : Low profile chain for increased cutting efficiency

**PERFORMANCE** : Twin cutting corners for improved cutting performance and durability

**COMPATIBILITY** : For use with Makita Cordless Chain Saw model XCU06

**INCLUDES** : 10" Saw Chain, 3/8" LP, .043"

**ABOUT MODEL**

The Makita® 10" Saw Chain is ideal for professional, commercial or occasional users. This low-vibration saw chain is designed for improved comfort when cutting. Twin cutting corners provide improved cutting performance and durability. Oil holes help carry oil around the full length of the guide bar for improved lubrication. It installs quickly for operator convenience.

**FEATURES**

- Narrow kerf reduces width of cutting face resulting in the saw chain moving through the cut faster than a standard kerf
- Low profile chain for increased cutting efficiency
