GRANITE COMPOSITE KITCHEN SINKS FEATURES

Heat Resistant

Alfi Brand sinks withstand thermal shocks, including the most severe ones, and very high temperatures (up to 280°) without being damaged.

No Color Fade

Color is the identifying element of Alfi Brand sinks. The sinks' colors remain bright and unchanged in the course of time, even in case of frequent and prolonged exposure to sunlight.

Scratch Resistant

The high percentage of mineral charges present in the mixture makes Alfi Brand sinks resistant to scratches, marks and wear.

Easy To Clean

Since the surface is not porous, the sink can be quickly cleaned by means of a standard detergent and the simple action of a towel or sponge. The sink is always fresh, clean and hygienic.

Hit Resistant

Alfi Brand sinks are extremely durable. Their strength protects the sinks surface from cracks or damages that may be caused by accidental hits.

Tested For Food Contact

Several tests carried out by independent institutes certify Alfi Brand sinks complete suitability to food contact.

Stain Resistant

Alfi Brand sinks do stand everyday aggressive substances and food. Dirt and stains can be removed by rinsing and gently wiping the sink.

And Also...

Alfi Brand composite material sinks are also heat-insulating and sound-absorbing. They maintain hot water longer, and absorb the noise of the jet of tap water.

The ALFI brand Folding Teak Shower Seat is a beautiful and practical accessory that provides a convenient and safe place to sit while showering, while adding warmth to the feel of your shower space. The shower seat is made of unstained natural teak wood leaving you to decide if you like the natural appeal or prefer to stain or oil the wood to match your style.

With an innovative and compact design, you can easily fold the seat down while showering, then fold it up and away for extra space when not in use. Install the shower seat at the height that works best for you.

When properly installed, the maximum safe loading weight on this seat is 330 lbs.

Includes all hardware. Requires special reinforced mounting & professional installation.

## MAGNIFYING COSMETIC MIRRORS

Ready to elevate your bathroom to the pinnacle of luxury? Introducing the truly eye popping HammockTub by ALFI brand. This elevated bathtub hangs suspended from the floor and reinvents the way we design bathrooms. Made from the same high quality acrylic as our freestanding tubs, this tub features full-length metal support beams to ensure stable installation and an unrivaled look. Offered in both black matte or white matte colors.

Requires a shower drain to be installed in the floor directly under the tub. Requires a tub filler which can be installed from the floor, wall or deck depending on the design layout.

## WARRANTY

**Fireclay / Porcelain Sinks** - 1 year warranty against manufacturing defects. 10 year warranty against fading/staining of the glaze. Cracks or chips are not covered under warranty as they can only happen due to misuse or by owner error and not a manufacturing defect. Each sink is thoroughly inspected at the factory and again prior to shipping to ensure there are no cracks or chips. All cracks and chips due to misuse or improper installation whether performed by a plumber, contractor, service provider, or unqualified person, will void the warranty.

**Bamboo Sinks, Wooden Tubs** - 1 year warranty against manufacturing defects. ALFI Trade Inc. is not liable for cracks/splitting of the wood due to improper maintenance, storage or installation.

**Granite Composite Sinks** - 10 year warranty against cracking caused by thermal shock. 1 year warranty against any manufacturer defects.

**Faucets, Tub Fillers** - Limited lifetime warranty against manufacturing defects in materials and workmanship. Mechanical components are warranted against defects for 5 years from the original purchase date.

**Everything else including Shower Heads & Arms, Strainers, Grids, Shower Niches, Shower Seats, Shower Panels, Towel Warmer, etc** - 1 year warranty against manufacturing defects.

Warranty begins from purchase date on invoice. An invoice must be provided in order to file a warranty claim. If a free replacement is granted under warranty, the warranty time frame continues from the original purchase date, and not from the date of free replacement.

ALFI brand products are warranted for normal use and exclude defect or damage caused by or resulting from misuse, abuse, neglect, scratches, dents, abrasives, chemicals, improper installation/care/maintenance (whether performed by a plumber, contractor, service provider, or unqualified person), or alteration. This warranty does not apply to the replacement of components where damage is caused by normal wear and tear, dirt, lime scale, aggressive water conditions, or harsh or abrasive cleaners or materials. If a product is defective, the limit of damage is the cost of the defective material. Our warranties are not transferable. ALFI brand is not liable for consequential damage, labor loss, or expense of any nature.

This warranty applies to residential applications. Commercial/Industrial/Business applications are warranted for 1 year from original purchase date.
