
P100 HALF-MASK RESPIRATOR

Protection from dust,
metal fumes and oil mist

*NIOSH Rated with
Replaceable Filters*

P100 HALF-MASK RESPIRATOR

Klein Tools' P100 Half-Mask Respirators (60552, 60553), together with the Replaceable P100 Filters (60554) give protection against all particulate aerosols including solid and liquid particles such as dust, metal fumes, and oil mist. The protection provided by classification P100 also covers the protection provided by lower class filters. This lightweight respirator features a compact design to minimize interference with safety eyewear, adjustable straps, downward facing exhalation valve to prevent fogging of glasses, a sample port for non-destructive face fit test, and a simple push-in check mechanism for easy face seal validation.

NIOSH P100 RATED

Protection from dust, metal fumes & oil mist
